

Dear valued guest,

In Suriname it's a tradition to celebrate the end of the year with a lot of partying and fireworks. In light of this tradition It has become custom for TorEvents and Surifesta to organize multiple highly anticipated events throughout the entire December Holiday season.

Festivities organized by "TorEvents", will mostly be held on the Torarica Pool Terrace, Tennis Court and /or The Pier of Torarica Resort & Casino. Festivities organized by "Surifesta", will mostly be held in the "SUP" partying area (between the Presidential Square, in front of Royal Torarica / Hotel Torarica and the gas station On the Run.)

The busiest festivities are held from the third week of December till the second week of January. Please keep in mind that during this period some streets in the SUP area (between the Presidential Square, in front of Royal Torarica / Hotel Torarica and the gas station On the Run) might be closed off for traffic. When participating in any of these festivities, make sure to have your hotel passport with you at all times. In addition, your safety is our concern. To ensure your safety and of others please take the necessary safety precautions at all times, including not leaving your valuables unattended.
